Bluefin dba LogoIncluded Recalls Wireless Phone Chargers Due to Burn Hazard

If you received our AC16B Wireless Charger during the time period of April 1 - April 30 please be aware of this recall. Unfortunately, we discovered that this shipment was defective and some of the units are getting too hot, causing some smoke and distortion of the plastic casing.

Due to this problem, we are issuing a recall of this batch. If you received this item during the time period stated above, please take the mandatory steps below to make sure you and/or your customer does not experience this problem.

- *Please discontinue use of the product immediately.*
- *Please contact us at recall@logoincluded.com or call 877-211-7220, ext. 145 for instructions on how to identify a potential item and instructions for returning the item for a full refund of the purchase price.*

We are doing everything in our power to correct the situation. We take great pride in our product quality, and when something happens we always do our best to be the partner you count on.

Please understand that this recall only applies to those units purchased during this timeframe. All other units purchased in the past had no issues. This was just a one-time defective batch that we received.

Thanks for your business and trust,
